## VENDOR AGREEMENT: Monterey Bay Aquarium Seafood Watch

As you know, PCC Community Markets is an official partner of the Monterey Bay Aquarium Seafood Watch program. This means that PCC has committed to sell only seafood that meets strict standards for health and environmental sustainability, and never will sell seafood species on the Seafood Watch's AVOID list.

You can find the list of AVOID species at [seafoodwatch.org](http://seafoodwatch.org).

PCC requires written confirmation from our seafood suppliers that they never will provide us with any species from the AVOID list and that suppliers stay current with AVOID list species that are subject to change bi-annually under the Seafood Watch program.

By signing, dating and returning this form you are indicating compliance with PCC's seafood policy.
