VENDOR AGREEMENT: Monterey Bay Aquarium Seafood Watch

As you know, PCC Community Markets is an official partner of the Monterey Bay Aquarium Seafood Watch program. This means that PCC has committed to sell only seafood that meets strict standards for environmental responsibility and never will sell seafood on the Seafood Watch's Avoid list.

PCC requires written confirmation from our seafood suppliers that they never will provide us with any seafood from the Avoid list and that suppliers stay current with Avoid list seafood that is subject to change on a monthly basis under the Seafood Watch program. Visit seafoodwatch.org to see the most up-to-date recommendations and to sign up to receive advance notice of when new or updated ratings are published.

By signing, dating and returning this form you are indicating compliance with PCC's seafood policy.
